

White Leaf Support

Celebrating our smiling faces and team spirit in the fight
against covid-19

We wanted to share some of the beautiful photos that are being shared amongst our services.
As you can see – life goes on for all of our service users and their amazing staff teams!

No rest from the housework – and doing it with a smile makes it even more fun! Our teams have also been getting out in the gorgeous Spring sunshine to keep our service users active and entertained as part of their daily exercise.

We have of course been 'clapping' on Thursdays and celebrating our teams dedication and commitment – Thank You!

A collage of images. The central image shows two people walking away on a dirt path in a forest. To the right, there is a white wall with a table and chairs. The text 'THANK YOU' is overlaid on a green bar on the left, and 'To all of our teams!' is overlaid on a green bar on the right.

THANK YOU

To all of our teams!
